

Center for Biomedical Research and Translational Surgery

Leitstelle 1Q, Bauteil 24, AKH Wien

By tram: 5 or 12 to Lazarettgasse

Then walk straight towards the large bed towers until you reach building section 24 (marked in large letters), see marked path in yellow at the bottom right of the picture. We are on the ground floor (level 1), so please do not use the stairs to the top. Entrance at the open barred door, as indicated by the yellow arrow in the picture below left and then ring the bell at the white door.

Center for Biomedical Research and Translational Surgery

Leitstelle 1Q, Bauteil 24, AKH Wien

By underground line: U6 to Michelbeuern/AKH or by car: underground car park AKH Vienna

Go past the main entrance (level 5) on the right, straight ahead next to the AKH building, always heading "down" (red line and arrow). When you are in front of the Anna Spiegel building, there is a brown sliding door on the left. Go through the glass door (no. 2) and ring the bell at the Centre for Biomedical Research (5221).
